Motto, Vision and Mission of JAGIROAD COLLEGE

Governance of the College is reflective and in tune with its vision and mission.

Motto:

The motto of the College is: “Learn, Conquer and Excel”, which matches its vision and mission objectives mentioned below.

Vision:

The vision statement of the college is a declaration for realizing its core values. It is stated as follows:

- ❖ “The college aims to inculcate a unique value-based and learner-centric approach in all its plans and programmes. By evolving its own quality assurance and sustenance mechanism, the college would strive to achieve academic excellence - while drawing its resources from both the indigenous knowledge-base and the ICT based global knowledge expansion process. It would also align its paradigms earnestly towards sustainable development, peace and conflict resolution and vertical mobility of the learners belonging mostly to the socio-economically disadvantaged section of the society in order to foster national development and regional harmony.”

Mission:

The roadmap to attain its stated vision, the college outlines its mission statements as follows:

- ❖ To explore and extract the gems from the vast ocean of knowledge and probing the new and the unknown.
- ❖ To work with liberal, humanitarian, scientific and truly democratic values.
- ❖ To enable the learners to handle the stresses of life.
- ❖ To accumulate the dividends of ICT.
- ❖ To carve out a roadmap for the learners for both employment and self-employment.
- ❖ To facilitate the learners to tap the benefits of their own socio-cultural heritages.

Message *from the Principal's Chair...*

Opportunities are knocking for deserving Students

The much-awaited NEP 2020 started during the last academic session in our state. The affiliating University (GU) has named the UG degree program as the FYUGP (Four Year Integrated Undergraduate Programme). This UG program consists of eight semesters, namely, FUYGP-I, FYUGP-II, ... and FYUGP-VIII. Multiple exit and entry option is one of the unique features of NEP 2020. The last two semesters are crucial for students to prepare for their future careers. Therefore, it is important for students to pay close attention in each semester to achieve their desired outcome. Once students complete FYUGP, they can pursue a Ph.D. programme directly. The University Grants Commission recently announced that 75% marks are required to pursue a Ph.D. for FYUGP graduates. This is a great opportunity for those interested in joining a research career.

On the other hand, very recently, an unexpected opportunity has arisen for the student community who are interested in joining the semiconductor industry. Under the vibrant leadership of the State Chief Minister, Dr. Himanta Biswa Sarma, renowned industry giant TATA is establishing a semiconductor industry in the former Paper Mill Campus here at Jagiroad, along with two other semiconductor industries in the country. This decision will create thousands of job opportunities directly and indirectly through the semiconductor industry. Many ancillary and downstream industries will require a massive workforce in the coming days. Students of Jagiroad College can benefit from this opportunity if they are willing to grab it. Already, nearly 1000 girl students (of which almost 300 are from Jagiroad College) have benefited from this historic decision of the State Government. We appreciate the bold initiative of our dynamic Chief Minister for his visionary leadership towards generating massive employment through industrialization in the state. Our institution is in the closest proximity to the prospective human resources required in semiconductor industry, and we must be prepared to take advantage of it. I sincerely hope that a collective effort will bring fruit to the deserving job seeking students.

Dr Bhaben Chandra Neog
Principal, Jagiroad College

Message *from IQAC Coordinator*

The IQAC Jagiroad College was established in pursuance of NAAC guidelines. As a Coordinator IQAC, I am grateful to the stakeholders for their continuous support towards different activities. The introduction of FYUGP from the 2023-2024 session is a challenging task for a rural college like ours. The IQAC Jagiroad College tries to assure the stakeholders i.e., students, faculty members, office staffs, different funding agencies and society in general, that we are committed towards the transparent quality management system of the college. The quality of education plays a major role in the individual growth and social life of the students. The institution is aware that the dimension and the quality of education keep on changing with time. The institution is successfully marching ahead into the competitive global era to transform the rural youth into educated employable youth. The specific motto of the college is to create confidence among the students which is not only job oriented but also enables them to stand on their own feet as good citizens.

With Best Wishes.

Dr. Chitta Ranjan Sarkar

Coordinator, IQAC, Jagiroad College

Message *from Convenors*

It is a proud privilege for us for getting this pleasurable opportunity of serving as convenors in the intricate task of preparing and presenting the college prospectus for the academic session 2024-25. Jagiroad College is a premier institution of higher education which has opened the gates of learning for all enthusiast learners over the past 45 years of its founding in the year 1979. Since then, the college has been catering to the needs of students from all cross-sections of society, and different cultural and economic backgrounds. The college has been providing quality education in all four streams (Science, Arts, Commerce and B.Voc.) which has helped produce successful and responsible citizens in various fields. With the hope that this year too, we will be seeing multitudes of fresh faces whom we wish to enfold into our family, this prospectus has been prepared with the cooperation of all the members of the committee so that the process of admission and subject selection becomes easier. Once again, we extend a warm welcome to all of you and wish you all the best.

With best complements and regards,

Convenors

Dr. Jita Baruah

Dr. Srijani Das

Chairperson

Dr. Bhaben Chandra Neog
Principal

Prospectus Committee Members

Dr. Jita Baruah, Department of English (Joint Convenor)
Dr. Srijani Das, Department of Education (Joint Convenor)
Dr. Chitta Ranjan Sarkar, Department of Chemistry (Coordinator, IQAC)
Dr. Barsha Kalita, Department Political Science
Dr. Sangeeta Sarma, Department of Botany
Dr. Chiranjita Goswami, Department of Chemistry

New Education Policy - 2020

Education is primary for attainment of equitable and just society, and promoting national development of any economy. Development of good human capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination with sound ethical values are the main objectives of the new education policy.

Aim of the New Education Policy

- Unique abilities of each student will be recognised, identified and fostered by developing students in both academic and non-academic fields.
- Foundational Literacy and Numeracy to be achieved by Grade 3.
- No hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc.
- To encourage logical decision making and innovation among students.
- Promotion of multilingualism and power of language in teaching and learning process.

School Education

Key points:

1. School curriculum and pedagogy have been restructured in a new 5+3+3+4 design.
2. Foundation Stage for children of ages 2-8 years: 3 years of Anganwadi/pre-school + 2 years in primary school in Grades 1-2.
3. Preparatory Stage for children of ages 8-11 years (Grades 3-5, covering ages 8-11), Middle Stage (Grades 6-8), covering ages 11-14 years.
4. Secondary Stage of children covering ages 14-18 (Grades 9-12 in two phases, i.e., 9 and 10 in the first and 11 and 12 in the second).
5. The medium of instruction upto Grade 5, but preferably till Grade 8 and beyond, will be the home language/ mother tongue/local language/regional language.

JAGIROAD COLLEGE

6. Sanskrit will thus be offered at all levels of school and higher education as an important, enriching option for students, including as an option in the three-language formula.
7. Foreign languages, such as Korean, Japanese, Thai, French, German, Spanish, Portuguese, and Russian, will also be offered at the secondary level for those students who are interested.
8. Importance will be given to Artificial Intelligence, Design Thinking, Holistic Health, Organic Living, Environmental Education, Global Citizenship Education (GCED), etc. at relevant stages to develop various important skills in students at all levels.
9. School examinations will be held only for Grades 3, 5 and 8 in a formative style to encourage higher order thinking skills, conceptual clarity and critical thinking.
10. Board examinations for Grades 10 and 12 will be continued but redesigned to encourage holistic development.

Higher Education

Key points:

1. The undergraduate degree programme will be of either 3 or 4-year duration, with multiple exit options within this period.
2. During undergraduate degree program, a certificate will be offered after completing 1 year in a discipline including vocational and professional areas, a diploma after 2 years of study, or a Bachelor's degree after completing 3-years programme.
3. An Academic Bank of Credit (ABC) have been introduced which would digitally store the students' academic credits earned from various recognized Higher Educational Institutions (HEIs) so that the degrees from an HEI can be awarded taking into account credits earned.
4. Pedagogy will have an increased emphasis on communication, discussion, debate, research, and opportunities for cross-disciplinary and interdisciplinary thinking.
5. India will be promoted as a global study destination to restore its role as a Vishwa Guru by providing premium education at affordable costs.
6. The National Scholarship Portal will be expanded to support, foster, and track the progress of students receiving scholarships.

Constitutional, and universal human values of truth (satya), righteous conduct (dharma), peace (shanti), love (prem), nonviolence (ahimsa), scientific temper, citizenship values, and also life-skills; lessons in seva/service and participation in community service programmes will be considered an integral part of a holistic education.

Jagiroad College

A brief profile of the College

Jagiroad College (the erstwhile Kapili Anchalik Mahavidyalaya) was established on 8th August, 1979. The college is located at Jagiroad in Morigaon district of Assam, at a distance of nearly one hundred meters from the AH 2. The serene campus, spread over a spacious area of twenty-five bighas of land, is nestled by the picturesque Sonaikuchi Hill. Culturally, it lies very close to Na-Khola—the abode of the Prince Regent of the ancient Kingdom of the Tiwas—one of the indigenous tribes of the state endowed with its distinctive traditional heritage. Jagiroad College was established by a group of foresighted and committed social-workers of the region. Shri Mahendra Ahom, the founder Principal played a pivotal role for seventeen years in the development of the college. With his dynamism, the college was able to attract students from the surrounding rural hinterlands who were mostly “first generation” learners belonging to the socio-economically disadvantaged and marginalized communities. Shri Ahom laid the foundation of the academic and infrastructural blue print of the college while inspiring the teachers to promote the cherished values of inclusiveness and equity without losing sight of qualitative parameters. During his tenure both the Arts and Science Streams of the College were brought under the “deficit-grant-in-aid” system of Government of Assam following affiliation of its programmes and courses by the Gauhati University and it became eligible for development grants under sections 2(f) and 12(b) of the UGC Act 1956. In 1997, Sri Ahom left for Nowgong College and on his resignation, Dr. Altafur Rahman joined the college as the second permanent principal and served for eight years between 2000 and 2008 and then as the president of the G.B. for five years. During Dr. Rahman’s tenure the college was accredited and assessed by the NAAC and career oriented professional programmes like MTM and PGDCA (under Gauhati University), distance education programmers under IGNOU, tie-up with NBIRT for promotion of entrepreneurship were introduced. He also worked towards further expansion of infrastructural facilities like

JAGIROAD COLLEGE

construction of hostels, expansion of library and computer center. During Dr. Rahman's tenure, the College also celebrated its Silver Jubilee in 2005 with enthusiasm and gaiety with active coordination of a large number of its alumni. That same year, the college came under the ambit of the Assam College Employees (Provincialisation) Act, 2005. Besides Dr. Rahman, one of the former Vice Principals- Shri Utpalmoni Phukan also served as the Principal-in-charge in two phases.

Dr. Bhaben Chandra Neog, the present principal of the college joined as the third permanent principal of the college in January 2012 and started off his tenure by launching programmes and courses like Bachelor in Commerce (B.Com.with both Major and General Courses). It is under the initiative of Dr. Neog that the college has introduced a few innovative skill and employment-generating programmes with financial support from the University Grants Commission (UGC). These courses are included in two different schemes namely-Community College scheme and Bachelor of Vocation (BVoc) scheme of the UGC. Of these, the Pulp and Paper Technology (PPT) and Fashion Technology were introduced since 2015-16 under the Community College Scheme of UGC. But due to the closure of the Nagaon Paper Mill of HPCL these courses have been discontinued from 2019-20 session.

Under the Bachelor of Vocation (B.Voc.) scheme of UGC, the college has been imparting B.Voc program in (i) Retail Management (RTM) and (ii) Entertainment-Acting (ACT) since 2015-16 academic session and (iii) Tourism and Hospitality Management (THM) program from the Academic Session 2018-19. All these have been running as three years Bachelor Degree Programmes under Gauhati University. Sector Skill Councils like Media and Entertainment Sector Skill Council (MESCC), Retailers Association Sector Skill Council (RASCI) and Tourism and Hospitality Management Sector Skill Council (THSC) under the National Skill Development Council (NSDC) evaluated the students studying in these programmes for their skill components. As a part of skill enhancement and employment centric commitments, the college has signed a number of Memorandums of Understanding (MoUs) with different Industry partners and Institutions to empower the students in skill and related activities. Dr. Bhupen Hazarika Regional Govt. Film and Television Institute (DrBH-RGFTI) located at Kahilipara (currently operating from Amingaon) under the Directorate of Tourism, Govt. of Assam extended their support to the students. They have encouraged endeavors in implementing courses to generate skilled human resources for the benefit of society.

The dynamism of the present Principal has been reflected all around with many new additions in terms of academic as well as in infrastructural fronts during the last twelve years of his tenure in the college. Apart from regular courses and skill-based courses, Distance Education courses have also been introduced for the needy students. Those who could not avail their higher educational need have been realising their dreams realized through the study cum exam centers of IGNOU, KKHSOU and GU-IDOL (renamed as GUCDOE

from 2023) located in the college. Since the college puts utmost emphasis upon infrastructural facilities, the process of up-gradation of the classrooms are going on and eight numbers of classrooms have already been upgraded with digital smart-boards. A Digital Language Laboratory was added to the computer department for students seeking improvement of English language skills. A 50 kw Solar power plant was installed in the college to meet the shortage of power supply for the smooth functioning of the academic and other day-to-day activities. The college constructed two new three storied buildings to meet the requirements of its growing needs. Since its early days, Jagiroad College has been in the fore-front in promoting inclusiveness and equity, adopting learner-friendly teaching-learning mechanisms, academic exchanges and organizing seminars, workshops and conferences.

In the past, the college has successfully organized annual/biennial sessions of NEIHA, NEIGS, ACPC, ACTA and AACEA apart from having regular calendar of seminars by the IQAC and hosting State and National level seminars/webinars on different topics/subjects. Dr. Subhash Saha, a faculty of the History department, carved a niche for himself as a multi-faceted scholar-poet-social activist and was engaged in Post Doctoral research till his untimely demise in 1994. Prof. Moloya Goswami, a retired faculty from the Department of Education, bagged the Best Actress Award of the 37th National Film Awards in 1992 for her stellar role in Jahnu Barua directed movie Firingoti (A Spark). She was also thrice nominated as a member of the prestigious jury for the National Film Awards. Shri Tulshi Kr. Bordoloi, a retired faculty of the History Department and a former President of the Tiwa Mathonlai Tokhra (Tiwa Sahitya Sabha) acts as a key resource person regarding studies in the cultural and literary heritage of the Tiwas. Dr. Poban Ch. Gogoi and Dr. Khagen Sarma, both retired Associate Professors and Ex-Heads of Education and Geography Departments respectively contributed their skills in cultural arena for the benefit of the society. Dr. Gogoi established a Music College just in front of the college and Dr. Sarma established a Satriya Sangeet Vidyalaya and helped spread the Vaishnavite culture for the last twenty-five years for the greater cause of the society and common people.

Teachers of the college are also committed and engaged in Major and Minor research projects besides being awarded Ph.D. and M.Phil. Degrees from universities of repute and institutes of national importance. A section of the teachers are also actively engaged in local literary, cultural and sports organizations besides offering assistance and consultancy to community- based organizations. Sections of the non-teaching staff too are sincere and committed in their services.

With its pleasant and peaceful teaching-learning ambience the college campus is an ideal place to study. The college also has a supportive alumni association, many of whom have successfully shaped and carved out their careers in different fields including, education, health, management, society and research areas. Additionally,

JAGIROAD COLLEGE

the college has excellent infrastructural facilities, a reasonably high rate of gender parity, a wide array of full-time academic programmes and courses ranging from Higher Secondary to Master in Tourism Management, also offers excellent support for affordable and broad-based Distance Education under IGNOU, KKHSOU and GUCDOE (GU-IDOL) of Gauhati University. The college also boasts of a well-stocked and updated library with nearly thirty thousand books, varied schemes of scholarships for learners, seminars and conferences, grievance redressal mechanism and wide range of CCA activities. It is gradually and uniquely poised to scale higher in the contours of Higher Education of Assam. The institution has all along been trying to evolve its own quality-sustenance mechanism in its pursuit to achieve academic excellence. The college has been able to yield B+ grade with 2.71CGPA in the second cycle of its assessment by NAAC in 2016. The DBT Star College Scheme grant received in 2019-20 helped six science departments of the college and facilitated establishment of a common scientific sophisticated laboratory, enhancing science education both theoretically and practically.

NAAC A+ Grade to Jagiroad College 3rd Cycle of NAAC Assessment and Accreditation 2023

The College has been re-assessed and accredited by the NAAC for the 3rd cycle in the year 2023. The Peer Team comprising of Prof. A.S. Gupta, former Pro-Vice Chancellor of Nagaland Central University, Prof. Purushottam Nayak from NEHU, Shillong and Dr. Rajendra Lokhande, Principal, Mahavir Mahavidyalaya, Kolhapur, Maharashtra visited the college on March 9 and 10, 2023. The Peer Team assessed the physical facilities, academic activities, infrastructural developments as well as stakeholders involvement towards holistic development of its learners. The assessment outcome was declared by the NAAC on March 14, 2023. According to the assessment outcome the college was accredited A+ Grade with 3.26 CGPA.

The NAAC assessment outcome encourages the college fraternity to a great extent. As a post assessment initiative, the college is gearing up and working to become an Autonomous Institution very soon. Immediately after the NAAC assessment outcomes, the Education Advisor, Govt. of Assam, Prof. Noni Gopal Mahanta visited the college on April 13, 2023, and encouraged the college fraternity to move for Academic Autonomy. Discussions are going on towards this and a special team is constituted and empowered the team to study the pros-and-cons of Autonomous Colleges. Accordingly, the team already visited Nowgong College and invited the Arya Vidyapeeth team led by the Principal Dr. Pradip Bhattacharjee, who visited the college and suggested to proceed for Autonomy. It is the responsibility of the stakeholders of the college to move forward with this dream of Academic Autonomy. Let the expectations grow more.

Jagiroad College - in India's Best Colleges list:

(In India Today MDRA survey report for five consecutive years: 2019, 2020, 2021, 2022, 2023)

Few vital questions usually arise while considering National Ranking of an Institution. What is the present status of any stream of a higher Education Institution (HEI) in comparison to the rest of the similar institutions in the state or the country? How an HEI can justify itself as this or that type of institute or how one can compare its status or rank with other similar institutions? NAAC is an autonomous body for assessment and accreditation of HEIs in every five years. Apart from NAAC, is there any other national ranking agency to annually evaluate or assess any HEI in our country? Although the National Institution Ranking Framework (NIRF) had started the process by working and ranking institutions since 2014-15, parameter wise limited scopes are available for stream-wise participation for many institutions. From that perspective, the national survey conducted by the "India Today group" has been conducting Best College Ranking Survey in India (now-a-days known as MDRA-India Today National Best College Ranking Survey) for the last twenty-seven years which holds a valid reason to participate. Every year they conduct the survey covering broad aspects in different sections.

We have been participating in their survey since 2019 with a clear intention to check the National Status or National Position/Rank among hundreds of other participating institutions. To our surprise and as per the MDRA-India Today National Best Colleges Ranking survey report, in the year 2019, the college had emerged as one of the best colleges in our country. In that year, Jagiroad College ranked nationally at 112, 112 and 141 for its Arts, Science and Commerce streams respectively. Again in 2020, the three streams of the college secured ranks at 127(Arts), 132(Science) and 137(Commerce) in spite of Covid-19 pandemic. In the 2020 survey report, the Commerce stream had emerged as 3rd College in India having lowest tuition fee. Further, despite the second wave of Covid-19 pandemic in 2021, the college has yet again established itself as one of the best by holding national ranks at 155(Arts), 149(Science) and 158(Commerce). In 2022 and 2023 also the college could uphold its ranks at national level. Thus, albeit some ups and downs, the college has been maintaining its national ranking ever since its first participation. Thus, the National Ranking of the college for five successive years is really a matter of pride for the entire college fraternity.

"One District One Green Champion" award-2021 to the college

The college proudly announces that under the "Swachhata Action Plan 2020-21" of Ministry of Education GoI, this college was awarded the prestigious "One District One Green Champion" award by the Mahatma Gandhi National Council of Rural Education recently. In the award list, this college has been enlisted at 24 out of 400 other colleges/ Universities/ NITs/IITs in India. This announcement greatly encourages the college fraternity towards maintaining clean and green environment with social commitments. Thus, the involvement of the college family in areas other than academic gains momentum and expects to be more vigilant and socially conscious.

JAGIROAD COLLEGE

Participation in Unnat Bharat Abhiyan (UBA) activities:

The Unnat Bharat Abhiyan (UBA) 2.0 was launched by Govt. of India on 25th April, 2018 in AICTE auditorium, New Delhi. Jagiroad College has participated in that event. Under the UBA, the college adopted five villages namely Jati Bamphor, No-1 Madhupur, No-1 Bongalbori, Sonaikuchi and Tetelichong. Activities like household survey, cleanliness drive, awareness through school meetings and awareness rally, etc. were conducted in these villages by involving college students (NCC, NSS and others) including faculties. Health check-up camps, street play for awareness, distribution of cleaning materials such as bleaching powders, phenyls etc. during flood among affected villagers, blankets and other garments during winter, sensitization of school building prior to reopening of school after Covid lockdown, distribution of face mask in Jati Bamphor village etc. were the other activities conducted by the college under UBA.

PROGRAMMES AND COURSES

Jagiroad College offers the following categories of HS and UG programmes in regular modes

Programme Category-I

Higher Secondary (HS) programmes

(Affiliated to AHSEC)

The College offers two-year HS programmes in Arts, Science and Commerce streams. The Subjects available in the college for HS programme are mentioned below. The curricular framework of the AHSEC is similar to that of the CBSE.

(1) Higher Secondary Arts: (Two years): (Provincialised)

Subjects: English, MIL# (Assamese, Bengali, Hindi, Bodo, Alternative English), Economics, Education, Geography, History, Mathematics*, Computer Science* (with Mathematics only), Political Science and Environmental Studies.

(2) Higher Secondary Science: (Two years): (Provincialised)

Subjects : English, MIL# (Assamese, Bengali, Hindi, Bodo, Alternative English), Biology, Chemistry, Mathematics, Physics, Computer Science* and Environmental Studies.

(3) Higher Secondary Commerce (Two years) (Self-Financed)

Subjects : English, MIL# (Assamese, Bengali, Hindi, Bodo, Alternative English), Accountancy, Business Studies, Finance, Mathematics and Environmental Studies.

Few important points :

- Note (i):** All the students of HS First Year (Arts and Science) are to compulsorily undergo a reading and oral skill test (10 marks) in the subject of English- which is in addition to their theory paper (of 90 marks) on the subject. The total marks in the subject thus is 100. The Oral test is conducted by the concerned department.
- Note (ii):** Under the guidelines and rules of AHSEC, all HS students (Arts and science) have to take English and MIL/Alt. English as compulsory subjects for first and second years.
- Note (iii):** Environmental Science is compulsory subject for HS First Year (all streams).
- Note (iv):** From the rest of the subjects, they must compulsorily choose three Elective Subjects. They may also take up a fourth Elective Subject of their choice.
- Note (v):** The Annual Examination of HS First Year is conducted by the Examination Committee of the College under the strict guidelines of the AHSEC. The Final Examination is conducted by the AHSEC of which the college is a recognized examination center.
- Note (vi):** *Mathematics subject for Arts stream has been included from the academic session 2020-21.
- Note (vii):** *Computer Science subject for Science and Arts streams has been re-introduced from the academic session 2021-22. For Arts stream students, one can choose Computer Science subject if he/she has chosen Mathematics as one of the subjects.

Programme Category-II

Under Graduate (UG) programmes : FYUGP

(Affiliated to Gauhati University)

The college offers Three-Year (six semesters) Major, Minor and Four-Year (eight semesters) Honours with Research Degree under FYUGP programmes. All these programmes are being conducted under the rules and regulations of Gauhati University. From the academic session 2023-24, GU has introduced NEP 2020 at undergraduate level. The streams and disciplines available in the College under FYUGP are mentioned below.

- Stream Specific :
- 1) Bachelor of Arts (B.A.): (Provincialised)
 - 2) Bachelor of Science (B.Sc.): (Provincialised)
 - 3) Bachelor of Commerce (B.Com.): (Self-financing)

- Discipline Specific: 1) Bachelor of Vocation (B.Voc.): (Self-financing)

Subjects offered in the FYUGP programmes are mentioned below. Before going to the programmes offered at this College, one should have some idea about what FYUGP is and how the credits are allotted. They should also have some idea about the core subjects, major, minor, multidisciplinary, value added and ability enhancement courses, skill enhancement courses etc that can be opted for the selected course of study.

JAGIROAD COLLEGE

A Summary of GU-FYUGP (w.e.f. August 2023)

What is GU-FYUGP?

The Four-Year Undergraduate Programme (FYUGP) at Gauhati University has been implemented in accordance with the UGC's Curriculum Framework and in accordance with the decisions made at the VC's Meeting on November 2022. It is a 4-year degree curriculum under NEP's FYUGP. Three withdrawal options are available from the FYUGP: after one year, after two years, and after three years. After completing the training for a year, students receive a certificate. A diploma is awarded to students who leave after two years. A bachelor's degree is earned if a student graduates after three years. And eventually, after completing all four years, students receive a Bachelor's degree with honours.

When you leave the programme, the doors are still open for you to re-enter it and continue your education from where you left off. However, the programme must be completed with seven years.

Honours and Major

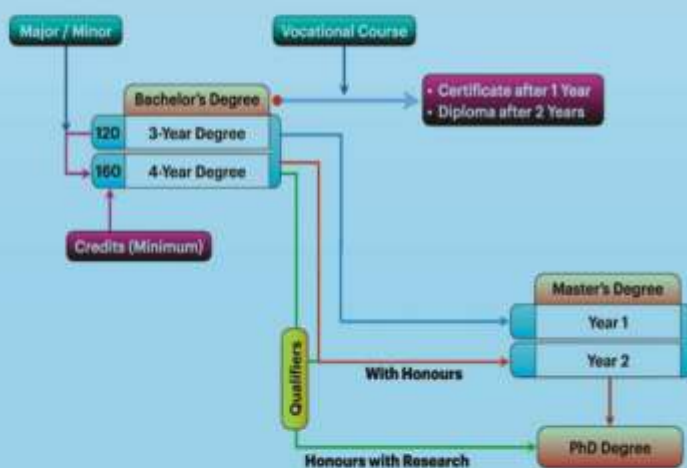

A bachelor's degree with a major can be earned at FYUGP after three years and one with a major and honours after four years.

Progression

A student can apply for admission into the first year of a Master's course, a 2-year degree programme, if they leave the FYUGP after three years. But if a student successfully completes four-year degree with honours under FYUGP, she or he can apply for admission into the second year of a Master's course and only need to finish one year to earn a Master's Degree.

Progression to Doctoral Program

After three years in the Bachelor's course or after completing FYUGP, students who enrol in a Master's programme are eligible to enrol in a doctoral programme leading to PhD. However, if a student is very talented, they may forego the Master's programme and apply for admission directly into a Doctoral programme after completing the FYUGP. The following figure indicates the progression under FYUGP.

How different are the courses?

A student has the option of studying multiple subjects by choosing and switching between them. A course under the FYUGP essentially consists of two components: (a) Core Courses and (b) Common Courses. As the name implies, several core courses are studied by different students, while the common courses are taken by all students. A quick summary of each segment of the programme is provided below.

First Year (Semester I & II)

Three different core subjects are studied in the first year, with one paper assigned for each subject per semester. In addition, one must study a variety of common subjects that the university has created in accordance with the UGC's Curriculum Framework.

Second Year (Semester III & IV)

Semester III

In the third semester a student will continue to study the core subjects that were previously selected in the first year as well as some additional common subjects. By designating one of the basic courses as a Major and the other two as Minors in the third semester, one will also take a step towards studying the subject they are most interested in. Nevertheless, the program's framework will not change from the first and second semesters.

Minor subjects can be changed in the third semester with the following limitations:

1. Subject changes are possible as long as the student can participate in them.
2. In addition, the free credits must be used to make up for the new subject as the first-year time was already spent studying a subject that would no longer be continued.

Semester IV

From Semester IV onwards, a student will mainly study the Major subject by taking at least four papers, some of which may be elective depending on the concerned subject. A student who has previously declared a major for the third semester course, still has the option of switching to one of the other two minors in the fourth semester as the new Major provided the subject concerned has vacancy.

Third Year (Semester V & VI)

One will continue to study the Major subject in the third year in order to finish the entire set of 15 Majors papers.

Fourth Year

In order to move to the fourth year, one must devote time to study advanced courses that are on par with the first Master's degree papers. Additionally, one will have the chance to collaborate on research projects with the college faculty members.

Besides the above, there are some more unique features of the FYUGP. They are:

Open Core Credits

From fourth to sixth semester, one will have time for 4 optional open core credits per semester, which one can utilize to study either of the Major or two Minors. They can also come handy, if one had changed a Minor subject in between.

Double Major

By the time one has completed 3/4 years of study, a student who is willing to put in a little extra effort can convert one of the Minors into a second Major by taking additional online courses (from a designated source only) relating to the Minors. This is over and above the first Major. One would then possess a bachelor's degree with two majors.

Multiple entries and exits

During the FYUGP, a student may leave after any year. A student may graduate with a certificate, diploma, or degree, depending on their exit level.

If a student withdraws from the programme after the first year, provided that they have completed all required courses, they will be able to receive a certificate. Similar to that, if the student is still studying after two years and has completed all of the required courses, they will receive a diploma. He or she will eventually graduate with a bachelor's degree after three years.

However, it should be noted that a student who graduates from the FYUGP after the third year with a bachelor's degree would not be able to reapply for admission to the programme for the fourth year. Instead, she/he must apply for admission to a Master's program's first year. Any student who is enrolled in the FYUGP's third year may continue on to the fourth year. He or she receives either a Bachelor's Degree with Honours or a Bachelor's Degree with Honours and Research after successfully completing the fourth year.

*Every student who wishes to withdraw from the programme before three years have passed through the programme **MUST** finish an additional 4-credit vocational course.*

FYUGP Course Structure

Core Courses

The final degree, diploma, or certificate a student will receive at the end of third (or fourth) year, second year, or first year, respectively is determined by their Core Courses. The mark a student receives in their final exam will also be based on their performance in the Core Courses. For the Core Courses, the minimum credit requirement is 84, or 21 courses (papers) with a credit allocation of 4 for each paper per course. At least three Core subjects must be studied by a student.

For both types of degrees, the Core Courses must be selected from a wide range of available disciplines. The Core Courses for a Bachelor's Degree in a Stream are Major and/or Minors, however, there are no Majors and Minors for a Bachelor's Degree in a Discipline.

Majors and Minors

For a Bachelor's degree in a certain stream, a student either selects a Major and Minors from among the options, or just Minors. In any case, by the third year, a student must have finished 21 courses, or 84 credits. A Minor course should have a minimum of 12 credits, whereas a Major course must have a minimum of 60 credits. One major and two minors make up the Core Course for the vast majority of students. However, if a student so chooses, she/he can also simply complete a third Minor utilizing the free credits.

Common Courses

All students must take the common courses, which together have a total credit value of 36 over a three-year period. These courses are further divided into the following five (5) subcategories.

Multidisciplinary Course

These three-credit courses cover five subject areas:

- i. Natural and Physical sciences,
- ii. Mathematics, Statistics, and Computer Applications,
- iii. Library, Information and Media Sciences,
- iv. Commerce and management,
- v. Humanities and Social Sciences.

If a student took a multidisciplinary course in Class XI-XII, they CANNOT pick that subject again.

Additionally, the subject of these courses MUST NOT be one of the student's already selected Core Subjects.

JAGIROAD COLLEGE

Ability Enhancement Courses (AEC)

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two papers of 4-credits each - one from English Usage and other from the group of MIL, especially designed for this purpose. Both these courses are further divided into two 2-credit courses each. The English Communication course is to be completed during Semesters 1-2 and the MIL course is to be completed during Semesters 5-6.

Skill Enhancement Courses (SEC)

These are various skill courses with total credit allocation of 9. All students need to complete three skill courses, each with 3 credits during Semesters 1-3.

Value-added Courses (VAC)

The VAC courses will come from four sub groups - (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. Each student will have to take any three courses, each of 2-credit, from any three groups during Semesters 1, 2, & 4. All together they will have a credit allocation of 6. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science courses, each of 2 credits, from any of three groups during Semesters 1, 2 and 4.

Internships

Every student is required to do an internship for four credits. Any semester from Semesters 3-6 is appropriate for the internship. Internships won't conflict with other classes because they are designed to be completed during semester breaks.

Fourth Year

Since a student can enrol straight in the second year of a Master's programme after successfully completing the FYUGP, the fourth year of the FYUGP is equivalent to the first year of a Master's course.

A student must complete one required paper on Research Methodology (REM), a 4-credit theoretical paper, in the seventh semester of their fourth year. Advanced Core Courses and a Dissertation will make up the remaining credits.

Degrees and course Structure

Under FYUGP, there are two types of Bachelor's Degree that can be earned by the students after successful completion of the programme- i) Bachelor's Degree in a Stream and ii) Bachelor's Degree in a Discipline.

Degree in Stream (Arts, Science, Commerce and Management)

The three different options which a student can choose to complete a 3-year programme under FYUGP is represented below

- ❖ Degree with Major and Minors: A student can choose one Major subject which consists of 15 courses and two Minors which consists of 6 courses (3 for each Minor) along with common course. The student can also utilize the free credits to study another Minor as well (3 more core courses in another subject).
- ❖ Degree with/without Major: A student can study all the three core courses equally over a period of 3-year programme (1 to 6 Semester) along with common course.
- ❖ Degree with double Major: In this option, a student may utilize all the free credits choosing another Minor with total credit of 48 either by offline or online mood (MOOCs) with due permission. In this case, the student gets a second Major (or double Major) in that subject, only if the student earns the first Major.

Degree in a Discipline

FYUGP offers 'Degree in Discipline' in a number of subjects including vocational courses.

Bachelor's in Vocation (B. Voc)

Following are the Vocational Subjects, offering Bachelor's Degree in Discipline (Vocation).

1. Entertainment (Acting)
2. Retail Management
3. Tourism and Hospitality Management

Salient Features

It has the same FYUGP structure i.e. Core Courses with a minimum of 84 credits and Common Courses credits of 36 (in a 3-year programme). It has no Majors or Minors. Students study certain pre-defined courses designed for the respective discipline.

JAGIROAD COLLEGE

Groups of Subject Arts

Three groups of subjects make up this stream: MIL (Modern Indian Languages), Other Language, and Social Science.

This stream includes 17 (seventeen) subjects in total.

Arts		
MIL	Other Language	Social Sciences
Assamese	English	Economics
Bengali		Education
Bodo		History
Hindi		Geography
		Political Science
Max1	Max1	Max3

Science

Four groups of subjects make up this stream: Physical Science, Biological Science & Anthropology, Earth & Environmental Science,

Computer & Information Science.

There are a total of 9 (nine) subjects in this stream.

There is no major option for the fields of environmental science and computer application.

Science

Physical Science	Biological Science & Anthropology	Earth & Environmental Science	Computer & Information Science
Physics	Zoology	Environmental Science	Computer Science
Chemistry	Botany	Geography	Computer Application
Mathematics			

Max 3

JAGIROAD COLLEGE

FYUGP Programme details are mentioned below:

Jagiroad College offers two types of Bachelor's Degree programmes under the FYUGP to the students. These are -

1. Bachelor's Degree in stream
2. Bachelor's degree in discipline

Bachelor's Degree in stream will include Arts, Science and Commerce. Students can choose to mix the subjects for the Major and Minors subject to prerequisites and other stipulated requirements and conditions. While Bachelor's degree in discipline will include vocational courses like

- i. Entertainment (Acting) (ACT),
- ii. Retail Management (RTM) and
- iii. Tourism and Hospitality Management (THM)

Course-wise, for both types of degree programmes, the entire FYUGP is split into two categories: (i) Core Courses and (ii) Common Courses. Core courses are different for Arts and Science. However common courses have to be studied by students from Arts, Science and B.Voc. For Commerce, Core Courses and Common Courses are different. For details follow the link <https://nep.gauhati.ac.in>

Bachelor's degree in discipline (B. Voc. Programme)

UGC sponsored Three Year (6 Semesters) Vocational Degree Programme

This college has started B.Voc. programmes in three non-conventional subjects under UGC's B.Voc. scheme. Later it is included in NEP-2020 as Bachelor's degree in discipline (B.Voc.Programme).

B.Voc. Programmes are (i) Entertainment (Acting) (ACT), (ii) Retail Management (RTM) and (iii) Tourism and Hospitality Management (THM). All these are skill enhancing, job-market specific and employment/entrepreneurship centric subjects.

A student of the B.Voc. programme needs to select core and common subjects like Bachelor's degree in Stream. The only difference is that no major is offered in any subject in B. Voc course .The syllabus of the programme is focused on raising employability of graduates and meeting the industry requirements for ready-to-work students through skill development and thereby providing specialization in relevant fields. The B.Voc. programme has the option of multiple exit and entry system in one year, two year, and three year.

Mode of progression of B.Voc. (in brief):

Sl. No.	Duration	Award	Credits	Intake Capacity		
				Retail Management	Entertainment (Acting)	Tourism and Hospitality Management
1	One Year	Certificate	44	30	30	30
2	Two Year	Diploma	88	30	30	30
3	Three Year	B.Voc. Degree	132	30	30	30

Key highlights of B.Voc.Degree programmes:

1. B.Voc. (Under G.U. in regular mode) degree is equivalent to other degrees like B.A., B.Com. B.Sc. etc.
2. After completion, students will be awarded internationally valid certificates from respective Sector Skill Councils (SSC) i.e. RASCI, MESC and THSC along with the Degree from Gauhati University.
3. The courses are developed under National Skill Development Corporation (NSDC), New Delhi.
4. Course contents of the syllabi containing practical work and have been designed consulting industry experts.
5. Evaluation of the students are done by concerned sector skill council/industry experts/GU.
6. Fully equipped smart class rooms and digital studio with all modern facilities available.
7. Faculties have industry experiences.
8. Field studies and On Job Training (OJT) at the end of each semester with a view to provide the students industry exposure and to make them employable.

- Career support is provided through effective industry interaction, career seminar, creative workshop, Group Discussion, Mock interviews etc.
- Candidates may exit after successful completion of either Diploma or Advanced diploma. They may also rejoin the course at any time for advanced diploma/degree.

SCOPE

Retail industry is the second largest employment generation sector after agriculture whereas Media & Entertainment industry is in the third position. Retail and Media & Entertainment are two of the fastest growing industries in the world. In the North-East India both the sectors are growing as rapidly as anywhere in the world. Therefore, there is a growing need of skilled personnel and professionals to meet the demand. Tourism Industries are age old system world-wide with ample scope of employment in other related services.

After successful completion of three year B.Voc., Acting students can work in different sectors relating to Media & Entertainment such as films, T.V, theatre, mobile theatre, radio, advertisements, animation etc. as film, television, theatre actors, radio artistes, Voice-over artistes, dubbing artistes, production, etc.

At the end of three year B.Voc., Retail Management students will be able to work in different profiles as Team member, Team leader, Cashier, Ware House executive, MIS executive, Store Manager, Floor Manager, Visual Merchandiser, Asstt. Department Manager, Department Manager, etc.

On successful completion of the B.Voc., Tourism and Hospitality Management students can secure jobs as a Front office Manager, Food and Beverage Manager, Resort Manager, Restaurant Manager, Event Supervisor, Airline/Cruise Consultant, Hotel Operation and Entrepreneur etc.

Eligibility Criteria for admission in B.Voc. Programmes

- The eligibility for admission is 10+2 or equivalent, in any stream (Arts/Science/Commerce/Vocation) from any recognized board or university.
- Graduate students of any stream are also eligible for this course.
- There is no age limit for admission to the above B.Voc. Programmes

Memorandums of Understanding/Association (MoU/MoA)s

The college has signed a number of MoU / MoAs with different organizations for OJT, placements and technical guidance.

1. Shoppers Stop (Guwahati)
2. Vishal Mega Mart (Nagaon)
3. Airplaza Retail Holdings Pvt. Ltd., Nagaon
4. Indian Institute of Entrepreneurship (Guwahati)
5. Mahindra Finance Pvt. Ltd. (Guwahati)
6. Pride East Entertainment Pvt. Ltd. (News Live, Rang, Ramdhenu)
7. Rengoni TV Channel Pvt. Ltd., Guwahati
8. Dr. Bhupen Hazarika Regional Govt. Film and Television Institute, Guwahati
9. Aarohan- Dr. Bhabendra Nath Saikia Children Welfare Trust, Guwahati
10. Eye Creation, Guwahati
11. Rudrakshi Production, Guwahati
12. Team Indipity Production
13. Creative Nine Productions, Guwahati.
14. Third Theatre a socio-cultural organization
15. Ramdhenu Mini Theatre
16. Panacea – The Village (Resort)
17. Royal Global University, Guwahati
18. Sonapur College, Sonapur, Kamrup
19. Raha College, Raha, Nagaon
20. Dimoria College, Khetri, Kamrup (M)
21. Educative, Guwahati
22. PWR Bio Unit, Changsari, Guwahati
23. Sita Jakhala Dugdha Utpadak Samabai Samiti Ltd., Amlighat, Morigaon
24. Susrusha Life Cure Polyclinic, Jagiroad
25. Dubori Homestay, Kahilipara, Guwahati
26. Haji Anfor Ali College, Doboka
27. Arya Vidyapeeth (Autonomous), Guwahati
28. Down Town University, Guwahati

Jagiroad College fraternity proudly acclaim the achievements of five meritorious students who have successfully cleared the APSC Examination in 2023-24

Sl. No.	Name	Stream
1	Madhab Boro	Arts
2	Jeema Das	Arts
3	Biman Medhi	Arts
4	Manjib Sharma	Science
5	Biswajit Darphang	Science

Placements and Professional engagements of students from Acting Department

Students passing out from the Department of Acting are variously engaged in mobile theatre groups (four), cultural group (one), drama school (one), and also engaged as model (one), folk musician (one) and school teacher (one). One notable alumnus, Paramananda Hukai, is currently serving as Assistant Director in a popular TV channel, Rengoni TV. Another, Madhurjya Saikia, is serving as Cultural Reporter in ND 24.

Progression to higher education

Besides these, five are pursuing Masters in Performing Arts in Srimanta Sankardeva Vidyalaya and Dibrugarh University.

Placements and Professional engagements of students from Retail Management Department

Four alumni from the Department of Retail Management have started their own business as entrepreneurs. Three are engaged as Sales Executives and two are fashion consultants in leading stores and outlets like Centro and Shoppers Stop. One has joined as 4th Grade staff in Assam Government Service.

Progression to higher education

Five students are pursuing higher studies in different management institutes like Girijananda Institute of Management and USTM.

Placements and Professional engagements of students from Tourism and Hospitality Management Department

Four students of the Department of Tourism and Hospitality Management are currently placed in different schools as vocational teachers. One is serving as Tour Operator in a travel agency.

Progression to higher education from Arts, Science and Commerce streams

Eighteen students of the science stream are pursuing masters program in different universities and colleges like Gauhati University, Cotton University, Tezpur University, Tripura University, Kaziranga University, Royal Global University, Nagaon University, Jorhat Institute of Science and Technology, ISBM, Guwahati and Morigaon College.

Twenty-three students from Arts stream are pursuing M.A. programs in Cotton University, Sonapur College, Mahapurush Shrimanta Shankardev Viswavidyalay, Gauhati University, Assam University and DIET, Morigaon. One student from Commerce Department is pursuing M.Com. in IGNOU and another one is pursuing CA (Intermediate) course

Placements and Professional engagements from Arts, Science and Commerce streams

Six students of the science stream are presently working as laboratory assistants, supervisors and teachers in various schools and private companies.

Nine students of the arts stream are placed as trainees at Tata electronic semi-conductor project in Jagiroad. Eight are working as 4th grade staff in government offices. One has joined the Indian Armed Forces, one is teacher in LP school, one is Packaging Assistant in DD News and two are Sub-Inspectors.

Two students from Commerce Department are working as Grade 4 employees in Assam Government Service

Madhab Boro, Jeema Das and Biman Medhi of Arts stream have cleared the APSC examination in 2023-24. Manjib Sharma and Biswajit Darphang of Science stream have cleared the APSC examination in 2023-24.

Programme Category-III

Post Graduate (Self-financing): Affiliated to Gauhati University

The College has been offering post graduate programmes in two subjects. These are (1) Master in Tourism Management (MTM) and (2) Post Graduate Diploma in Computer Applications (PGDCA). The MTM is a two-year (four semesters) Master Degree programme and PGDCA is a one-year (two semesters) programme. Students who have completed their graduation or appeared in final exam, can apply to get admission to these programmes. Both are professionally effective and employable programmes and students who have already passed have got employment in various departments/institutes/ organizations.

Master of Tourism Management (MTM)

Blessed by the gifts of nature, North-East India has immense potential for the development of the tourism industry. Against this backdrop there can be perceived a growing demand for the generation of a pool of skilled manpower to cater to the needs of this industry. In view of such a need, the college had launched a career-oriented and professional post-graduate program since 2005-2006.

The course curriculum includes Geography of Tourism, Indian cultural heritage, Travel Trade Management and others. The program offers specialization in tourism management and other related aspects like management of hotels, resorts, airlines, tour companies, travel agencies and event managers. There is also a provision of On Job Training(OJT) in travel agencies where students are exposed to regional, national and international aspects of tourism including making itineraries and ticketing processes.

Over the years many students passing out from this department have got placements in various organizations like ATDC, ITDC, leading hotel chains and travel agencies. A few of them have also got absorbed as faculties in different institutes of tourism management, colleges, and universities as well. There is also scope for entrepreneurship in this department.

Facilities

The department is equipped with a well-furnished computer lab, hospitality lab with proper projector classroom and a number of practical instruments available for the practical subjects and also course related books and learning materials are available

Admission Policy and Procedure for MTM programme:

Admission into MTM programme is done through GU Common Entrance Test only. Interested students need to appear in GU entrance test (if GU decided to conduct the same) which will be notified by the University. Admission Fee is Rs. 8500/-per semester. GU conducts Central Entrance Test for 30 seats of MTM to be offered at this college. For further details visit the website –www.gauhati.ac.in

Programmes under Distance Learning (from three Universities)

The programmes under distance learning mode through the GUCDOE (formerly known as GU-IDOL), KKHSOU and IGNOU are approved by the concerned Universities and they are running under their strict guidelines.

- IGNOU (UG and PG programmes)
- GUCDOE (formerly known as GU-IDOL)
- KKHSOU (PG and UG programmes)

BRIEF DETAILS ABOUT DISTANCE EDUCATION COURSES:

● INDIRA GANDHI NATIONAL OPEN UNIVERSITY (IGNOU) STUDY CENTRE

The IGNOU Study Centre (SC 0435) of Jagiroad College has opened the horizon of distance learning for the students, staff and people of adjoining areas of the college. Detailed information regarding programmes and course structure, fee, design, credits, components, assignments, evaluation, and assessment etc. are available in the IGNOU website (www.ignou.ac.in). The IGNOU gives wide publicity of its admission schedules in all major national and regional newspapers at regular intervals. Admission can be taken twice in a year- January Cycle and July Cycle. Forms and Prospectus of IGNOU are available in the IGNOU www.ignou.ac.in.

For Admission and other Programme related queries, Contact:

1. Dr. Chitta Ranjan Sarkar, Coordinator (Mobile No: 9435319142)

● INSTITUTE OF DISTANCE AND OPEN LEARNING GUCDOE (formerly known as GU-IDOL)

With the objective to provide opportunity of learning to many students who could not pursue their desired higher education through conventional mode of education, the college has started the study cum exam. Centre at the college from the academic session 2012-2013 under the Gauhati University Institute of Distance and Open Learning is now renamed as Gauhati University Centre for Distance and Online Education (GUCDOE) w.e.f. 2023-2024. Jagiroad college study centre, starting with 41 no. of students has completed eleven consecutive years with good academic environment and result. The centre at present offers Master degree programmes for subjects like Assamese, English, Political Science, Education, M.Com., M.Sc. IT under the authority and control of the GUCDOE. GUCDOE has its own website which gives adequate information about the courses.

For Admission and other Programme related queries, Contact:

1. Dr. R. K. Das (Physics), Coordinator (Mobile No: 9435319469)

● KRISHNA KANTA HANDIQUI STATE OPEN UNIVERSITY

The Krishna Kanta Handiqui State Open University (KKHSOU) has also set up a study cum exam centre of the University at Jagiroad College. The Centre has been functioning from 2014-15 session. The centre offers 2-year P.G. programmes in Assamese, English, Economics, Education, Political Science and Commerce (M.Com.). The centre also offers 4-year UG programs as per NEP-2020.

Admissions are open twice a year in the months of January-February and July-August. Admission details are available at www.kkhsou.ac.in

For Admission and other Programme related queries, Contact:

1. Mr. Himangshu Haloi (Political Science), Coordinator (Mobile No: 9954770208)
2. Mr. Jagannath Deka, Office Assistant (Mobile No.: 8638399897)

Admission Policy and Procedure for 2023-2024 session

As decided and declared by the Assam Government on 07/06/2020, all the fresh admissions will be held through online mode only. No offline forms will be issued from the office to the candidates.

On filling the online admission forms, the merit list for each class will be notified stream-wise by the college through the college portal. Students who intend to take admission into HS First Year and UG/PG 1st Semester are required to fill up their online admission forms through DARPAN and SAMARTH portal respectively. The students will be able to submit their applications online for admission into HS First Year by visiting www.darpan.ahseconline.in or www.ahsec.assam.gov.in and for admission into UG/PG 1st Semester by visiting www.assamadmission.samarth.ac.in. The concerned students are advised to go through the given guidelines/SOP, important dates in detail for compliance and smooth conduct of the admission process. Merit list for each class will be notified stream-wise in the portals. Admission committee, comprising of a group of experienced teachers, will coordinate and ensure the smooth conduct of the process under the direct guidance of the college principal. The decision of the college authority would be final in this regard. For any wrong or misleading information given in the form, the admission is liable to be cancelled.

Candidates seeking admission must submit scanned copies of the following documents and are compulsorily required to produce the original documents for verification if required by the College Admission Committee. The documents to be uploaded online are-

- a) *Scanned copy of the Marksheets of the last qualifying examination.
- b) *Caste Certificate (if applicable)
- c) *Scanned copy of own Signature, self-signed Passport size Photograph
- d) *Bank Account details like Account Number, Bank Name, Branch Name, IFSC Code
- e) Certificates of the qualifying examination.
- f) Age Proof Certificate (Admit Card)
- g) Contact number of self, father, mother (at least one valid contact number must be mentioned)
- h) Registration and Migration Certificate (wherever applicable)
- i) Anti-Ragging Affidavit (to be filled online at www.antiragging.in and submit the downloaded copy along with admission form)

Important points:

- a) Students who have discontinued their studies after passing the qualifying examination will have to produce a "Gap Certificate" issued by the Head of the Institution last attended. The certificate has to mention the activities of the students during the period of gap.
- b) Applicants for admission who have passed their last examination from a recognized Board of Education or University other than the Secondary Board of Assam (SEBA), Assam Higher Secondary Education Council (AHSEC) or Gauhati University, will be required to submit their Migration Certificate (in Original) as and when intimated by the college office. Failure in doing so may lead to the cancellation of the admission without any prior notice. Migration from Jagiroad College is usually allowed only after the completion of the First Year of their respective programme in regular mode and after declaration of result of examinations.

ADMISSION NOTICE : 2024-25

JAGIROAD COLLEGE

NAAC A+ Accredited College (3rd Cycle-2023)
P.O.-JAGIROAD, DIST-MORIGAON, ASSAM

Website: www.jagiroadcollege.co.in :: e-mail: jagiroadcollege21@rediffmail.com,
Contact Nos. : 9435209183, 9401020580, 7663901077

For admission into HS-I Classes, submit online application through the DARPAN portal
<https://studentcorner.darpan.ahseconline.in/login>
For admission into UG (BA, BSc, BCom, BVoc)
Sem-I classes submit online applications through the
SAMARTHE-Govt. portal <https://assamadmission.samarth.ac.in>

Sl.No.	Name of the Programme/Class	Events	Period of Admission
1.	HS-I(Science, Arts & Commerce)	Submission of online applications by applicants	Till 15th May, 2024
		Preparation of merit list/waiting list by the institution	15th to 18th May, 2024
		Publication of provisional selection list/waiting list (valid up to 30/05/2024)	20th May, 2024
		Acceptance of admission offer by students	20th to 26th May, 2024
		Confirmation of admission by institutions in "DARPAN" (Online)	27th to 30th May, 2024

For UG/PG students as per SAMARTH guidelines, separate notification will be issued in college website.

Guidelines/SOP for institutions

- 1 After verification of applications, the Selection List and Waiting List for admission into HS first year will be prepared by the institutions concerned.
- 2 Selection List and Waiting List for admission will be made available in the portal (www.d.irpan.ahseconline.in) for the students. Moreover, candidates will also receive notification of their selection through SMS.
- 3 The Institutions are to ensure that online verifications shall be conducted for admissions into HS First Year courses.
- 4 Once a selected student accepts the admission offered by the institutions, the institutions will have to click the "Confirm admission" button to complete the admission process in the portal using Institution Login ID on daily basis during admission process latest by 10/05/2024. The institution will be able to confirm admission of only those students who have accepted the Admission Offer.
- 5 The institutions will be able to change the preferred subject(s)/Stream of a student at the time of admission only with due consent from the student and the institution concerned will have to update the same in the portal on the day of admission. Moreover, change/modifications in the stream and subjects of students will be available in the DARPAN portal even after the admission process is over for the duration as stipulated by AHSEC.
- 6 Institutions should refrain from getting students admitted without his/her consent.
- 7 Institutions are not allowed to enroll students through other institutions so as to avoid complications for processing other mandatory process in respect of students.

Seat capacity and Procedure of Selection:

Classes	Qualification	Intake Capacity	Other Criteria
H.S.-I (Arts)	HSLC or equivalent	400	40% in class X examination
H.S.-I(Commerce)	HSLC or equivalent	60	40% in class X examination
H.S.-I (Science)	HSLC or equivalent	120	50 % marks in Maths & Science
B.A. Semester-I	10+2 (Arts/Science/Commerce)	800	40% in XII exam
B.Sc. Semester-I	10+2 (Science)	200	45% in XII Science
B.Com. Semester-I	10+2 (Arts/Science/Commerce)	120	45% in XII exam
Retail Management	10+2 (Any Stream)	50	Class XII passed
Entertainment (Acting)	10+2 (Any Stream)	50	Class XII passed
Tourism and Hospitality Management (THM)	10+2 (Any Stream)	50	Class XII passed
Master in Tourism Management (MTM)	Graduate in any Discipline	50	40% in Graduation
PGDCA	Graduate in any Disc		40% in Graduation

- For Boys (Acting, RM and THM) : White Shirt and Grey Trouser
- For Girls (Acting, RM and THM) : White Top and Grey Trouser
- For Boys (MTM and PGDCA) : White Shirt and Black Trouser
- For Girls (MTM and PGDCA) : White Top and Black Trouser

JAGIROAD COLLEGE

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The internal quality assurance cell (IQAC) is an internal body of a higher educational institution to maintain a quality culture within the college. This cell acts with a plan of action for performance, evaluation, assessment and accreditation and quality up-gradation. According to National Assessment and Accreditation Council (NAAC), Bangalore, it is mandatory, that all higher educational institutions should have a functional IQAC. Quality enhancement in a college is a continuous process and so, this cell has become a part of the institution's functioning system and working towards fulfilling the objectives of the institution and achieving the goals. It disseminates its responsibilities through the formations of different cells. With the help of all stakeholders IQAC performs different activities towards teaching-learning and evaluation, skill orientation, career orientation of students. It takes necessary action to expose the students to the modern ICT based knowledge, organizes popular lecture by academicians from advance institutions, lecture for career guidance, skill learning etc. It encourages innovative changes, encourage different training programmes to build up competence, augments learner centric environment for quality education. Moreover, IQAC also organizes workshops, seminars for academic advancement of the faculty members, stimulate the academic environment for promotion of quality of teaching- learning and research in higher education, undertake quality-related research studies and initiate faculty exchange programme. The career guidance and placement cell organizes career counseling sessions in the campus and takes care of the placement, internship and On-Job Training (OJT) of students. In collaboration with all stakeholders including alumni of the institution, IQAC works for quality promotion and sustenance. It adapts a system of continuous documentation to create data base, prepares the Annual Quality Assurance Report (AQAR) of the institution and takes care of its timely submission to NAAC.

Jagiroad College has a functional IQAC with a permanent office room and continuously doing its activities for the all-round development of students and the institution. The earlier IQAC Coordinator Dr. Utpal Rajguru lead the IQAC for four years and successfully completed third cycle of NAAC assessment and accreditation and accredited A+ Grade with 3.26 CGPA. The joint Staff meeting with GB analysed the NAAC assessment outcomes and expressed satisfaction over the final outcome. The meeting entrusted Dr. Chitta Ranjan Sarkar, Associate Professor in Chemistry as the new Coordinator of IQAC w.e.f. 3rd April, 2023.

TEACHING-LEARNING AND EVALUATION:

Jagiroad College has imprinted a role for itself through evolution and continuous up-gradation of its teaching-learning standards by setting and developing its own benchmarks. The fairness, transparency and qualitative edge of its teaching-learning ambience have been sustained through the college's endeavor to recruit teachers having sound academic background, good potential and enthusiasm by the college authority since its inception. The quality of its teachers can be gauged from the relatively younger average age of incumbents, diverse socio-economic and cultural backgrounds, wide array of specializations, gender parity, readiness and acceptance of innovative teaching-learning mechanisms, diverse research interests and studies, empathy for students belonging to socio-economically marginalized and disadvantaged communities, promotion of social and cultural harmony, close contact with alumni, community orientation and an urge to accept fresh challenges and transcend boundaries in pedagogic practices and orientations. The NAAC's assessment and accreditation report amply highlighted this cardinal aspect of Jagiroad College. The experience, knowledge and skills of the teaching staff have together erected a foundation for undertaking experiments and sustained application of the best of the "traditional" and indigenous" teaching-learning mechanism and ICT based newer mechanisms. Jagiroad College has been especially successful in constantly building up a reputation for its transparent, unbiased, fair and continuous assessment

and evaluation mechanisms. It strictly adheres to all the relevant examination rules and regulations of the Assam Higher Secondary Education Council and Gauhati University. The annual examination of Higher Secondary First Year is conducted strictly in accordance with the rules of the AHSEC. Examination evaluation related grievances have been handled carefully in direct consultation with the university examination branch. All students get fair deal here in this college during their tenure of studentship.

RESEARCH

The teaching staff of the college is actively engaged in varied research studies in a wide array of areas of Humanities, Social Sciences, Physical Sciences, Mathematics, Biological Sciences under various departments of studies of Gauhati University, Assam University, NEHU, Dibrugarh University and IITG and a good number of them have already been awarded M.Phil and Ph.D. degrees. A number of teachers are also actively involved in research activities under UGC, ICSSR and DST grants (both minor and major research projects). The college constituted a research committee with its experienced faculties to foster the culture of research in the institution.

STUDENTS' SUPPORT AND PROGRESSION

Career Guidance, Counselling and Placement

The counselling of students' have traditionally been a part of teaching-learning mechanism and practices of the college. Most of the teachers offer and are adept in close and intimate counselling on academic and career related matters especially to students enrolled in Honours/ Major Courses and Skill Oriented Programmes. The college has an Information, Career Guidance and Counselling Cell (ICGCC) through which the students have been given guidance at regular intervals. Though the college at present does not have a formal structure of a separate Placement Cell, the ICGCC has in the past organised several placement workshops, interactive sessions with some firms and agencies of both the state and outside it.

PRIME DUTY OF NEW COMERS

Teachers and students are the two main stakeholders in the college. Apart from teaching-learning activities in the classroom they must do many other activities in and around the college for uplifting the status of the institution. So, the role of students who are going to be a part of this Higher Educational Institution (HEI) from the current academic session is an important factor to determine the status of the institution within the state and in the national scenario. After the implementation of the ranking system among the HEIs all over India, primarily by NAAC and secondarily by the organizations like NIRF, MDRA, ISO etc., all HEIs must pay attention on quality culture. Quality assurance is a continuous process to achieve academic excellence. It is a collective effort. Every stakeholder must develop a dynamic attitude, systematic approach, and a competitive mind for this. To perform better in this competition the role of the student community is very much crucial, because they constitute the largest group among other stakeholders. So, apart from attending the regular classes (75% attendance is mandatory), they must take the benefit of the good library in the college, can participate in NSS, NCC, sports, cultural activity, activities under UBA, Students Science forum, Environment Club, Geographical Society, Commerce forum, Literary forum or other internal forums depending on their interest. College life is the best time to showcase your talents. Jagiroad College always encourages students to expose their talents and welcome any innovative thoughts. IQAC in the college is always a standby with all the stakeholders for holistic growth.

JAGIROAD COLLEGE

Scholarships and Awards

- ST, SC, OBC, Minority and National Merit Scholarship for such category of students are offered by Govt. of Assam on submission of application in prescribed online formats. A good number of students have already availed Ishan Uday scholarship initiated by the GoI since 2016-17 sessions.
- Awards are offered meritorious students topping the HS and TDC students, from the authority.
- Best Graduate Award is offered to the students on the basis of his/her all round performance (Examination and co-curricular activities).
- There is provision to support the meritorious and economically backward students with financial assistance, books, uniform etc. Arrangement for scholarship (both from Government and Non-Government organizations) are also provided by the College authority. Study loans for needy students may also be arranged subject to clearance of bank formalities.

Scholarship Recipients in Various Schemes (2021-2022 and 2022-2023)

Sl. No.	Name of Scheme	Number of Recipients (2022-2023)
1	Ishan Uday Special Scholarship Scheme for NER	86
2	Post Matric Scholarship to OBC Students – Assam	73
3	Post Matric Scholarship to SC Students – Assam	98
4	Post Matric Scholarship to ST Students – Assam	61
5	Post Matric Scholarship Schemes Minorities CS	16
6	Post Matric Scholarship for Students with Disabilities	-
7	SHURID	-
8	MLA Scholarship	09

ACHIEVEMENTS OF STUDENTS (Academics) in the year 2022-2023

Students Securing Highest Marks in the TDC Final Exam (Arts)

JAGIROAD COLLEGE

INFRASTRUCTURAL AND CCA FACILITIES

Classroom Blocks and Buildings

Jagiroad College offers adequate and updated infrastructure for all internal stakeholders. The college has nine blocks for students, academic activities including office and library works. These are i) Kapili Block, ii) Kolong Block, iii) Killing Block, iv) Baliram Das Block (BDB), v) Nandalal Upadhyaya Block (NLU), vi) Pabitora Block (PTB), vii) Sonaikuchi block, viii) Library Block and ix) Dr.S.S.Block. Killing Block is being renovated under RUSA fund with more classrooms and added facilities. All these blocks houses faculties of Arts, Science, Commerce, Vocational and Post Graduate programmes. The Distance Learning Study Centers of three Universities are also located in these blocks. Two well-furnished seminar halls, one studio on performing arts (Acting), one Sound Recording Studio, Gymnasium Hall, NCC, NSS rooms are accommodated in this campus. A new girl's hostel is added to the existing hostel to improve intake capacity. The college also has laboratory for the Pulp and Paper Technology and Fashion Technology constructed under Community College Scheme. New constructions are also going on to accommodate more and more programmes with all possible modern facilities required for academic activities in near future. A well-furnished canteen is also there in the campus. A foot bridge has been constructed to improve connectivity between the Kolong Block and Digital Library building. Two science laboratories are also under operation in DBT scheme to facilitate practical learning between the science student belonging to physics and biological sciences.

A center for Yoga is being run for awarding performing and enhancing Indian traditional culture of yoga for better physical and mental health. A new college gate is being constructed to improve the security of the institution

The Central Library:

The Central Library houses a spacious reading hall and reading rooms for teachers and Major Course students. It has a rich collection of books including journals and magazines, CDs etc. Books are being regularly purchased on recommendation of the faculty members. Computerizations of its services are well under way. The library provides a congenial environment for its users. Following necessary renovation works, the Library now provides separate sitting arrangement for the boys and the girls. With sophisticated furnishings, the Library also has provision of a reading room for the faculties, a circulation section and a separate periodical section.

Internet connectivity is provided with 10 numbers of Computers connected through N-Computing and placed just behind the main library entrance for easy accessibility by the students and other staff. Reprographic facility is also provided in the same location.

Book Bank scheme of the College Library:

The College Library has introduced the Book Bank facility (for H.S. and undergraduate level students) as one of the students' support measures. The Book Bank lends textbooks and reference books to the especially meritorious students and to those coming from the economically backward families. The facility has been further developed with enrichment through donated books from the internal stakeholders of the college (teachers, members of the non-teaching staff and the students). Willing students may contact the Librarian for necessary details

Computer Centre:

The College has two sophisticated computer Labs (including a computer Center as Language Lab) with 46 computers for running the PGDCA, Degree level Vocational course and other short-term courses for students.

All the Laboratories are configured by two online UPS. Laboratory wise WindowsXP, Windows7, Windows 10 and Ubuntu Operating System have been installed in the computers. Government of Assam has given the scheme-ICT @ college through AMTRON as a result the college established a Computer Laboratory with 20 computers all at the cost of the Government.

Ethnic Museum:

A unique ethnic museum is being developed by the teachers at the college and it is located on the first floor of the Central Library. A new museum building is under construction in front of the central library from Tiwa Autonomous Council Grant.

Departmental Libraries:

Every department of the college has a separate library of its own. Books are issued to both teachers and students particularly of Major Courses. A section of the teachers have donated books to their departmental library.

Conference Hall:

The Conference Hall and Conference Room of the college are active centers for holding brainstorming sessions among the staff and the students. Different socio-cultural organizations have also been using these facilities for various events.

Auditorium:

A sprawling 8000sq.ft. auditorium is already there in the college for smooth organization of mass events and activities throughout the session.

Hostels:

The Swapna Majika triple storied Girls' Hostel with an intake capacity of 120 offers excellent facilities of easy and comfortable stay. The Zoon Beel R.C.C. Boys' Hostel with an intake capacity of 50 students also provides a pleasant and cosy environment for academic pursuits to its inmates.

Purified and cold drinking water:

The college has been providing clean, pure and cold drinking water facilities to all the students and all other internal stake holders.

Uninterrupted Power Supply:

The college has installed a 50KW solar power plant from the subsidized grants of MNRE GoI since 2013 and has been facilitating uninterrupted power supply throughout the campus.

Digital Class Rooms:

The college authority has introduced digital classrooms with smart boards in six class rooms, two seminar halls and one smart class room at ICT@college lab to facilitate updated and smooth teaching learning mechanism. Students use these smart class rooms to present their seminar presentations as part of their curriculum requirements.

Boys' and Girls' Common Room:

The college has provided spacious separate Boys' and Girls' common rooms with attached toilets and necessary amenities for girls students.

Gymnasium:

The college has a sixteen station multi gymnasium near the college auditorium. The college also has a yoga centre.

Sports Field with Grass Running Tracks:

The college has constructed a football field with grass running tracks from financial support from UGC. After completion of the sports field the college fulfils its dream of having its own field. Earlier the college had to hire sports field from the Jagiroad Sports Authority. Two GU Inter College Sports Tournaments were held in this field. The college also facilitates Indian traditional sports like, Kabbadi, Kho-Kho and Dueball, a comparatively new Indian game. It is a matter of pride that, as a result of the promotion of Dueball with its court in the college campus students could take part in national events.

Further, the college has recently completed construction of a world class combined Basketball and Volleyball field just near the main gate. The combined field was constructed with financial assistance of UGC and RUSA. Students regularly practise in this combined field since the day of inauguration. The field was inaugurated by the hon'ble Minister Sri Piyush Hazarika, who is also the local MLA and an honorable member of the College Governing Body

Canteen:

The college authority has set up a well-furnished canteen that offers its services to the students and staff of the college. Many social and government organizations have been utilizing this canteen for different occasions. During lockdown period due to COVID-19, all food items were prepared in the canteen and served the quarantined persons who stayed in the hostels and academic blocks.

Open Air Sitting Places:

The college offers a serene open-air tree covered sitting space for students inside its premises. A lush green lawn is also being prepared for holding of open -air sessions. The Annual Debate among the contestants of JCSU office bearers is an attractive event-traditionally held every year in the grass carpeted lawn.

Units, Cells and Societies

N.C.C.:

Jagiroad College's NCC Unit has been operational since 1984. It is an active Cadet Unit with the Motto: UNITY and DISCIPLINE. The cadets take part in a variety of events as periodically announced by 8 Assam BN, Nagaon, including the Annual Training Camp, Army Attachment Camps, Combined Annual Training Camp, Sainik Camps, Republic Day Camp, and Blood Donation Camp. This year was no exception and the unit actively participated in a blood donation camp, tree plantation drive and also celebrated the NCC day with fervour and gaiety. The NCC strives to inculcate in its cadets endurance, tolerance, and officer-like traits. The CTO is currently Mr. Pritom Doley, Assistant Professor, Department of Political Science.

The NCC Unit of Jagiroad College has been allotted a total of 75 cadets' enrolments. Our achievements in the year 2022, 2023-24.

1. 4 cadets have been selected to become 'Agniveer' of the Indian Army
2. 10 out of 10 cadets have cleared the 'C' certificate exam.

N.S.S.:

The College N.S.S. Unit set up in 1988, has been organizing programmes on themes like 'Clean your Locality', 'Green your Locality', 'Clean your Campus', 'Green your Campus', besides holding awareness programmes on topics of various public interests. Mr. Amar Deka, Assistant Professor in History has been holding the charge of the Program Officer of the College NSS unit. Some of the activities carried out by the unit are Constitution Day observed by Jagiroad College, World Environment Day celebration, Observation of World Blood Donor Day, Azadi Ka Amrit Mohatsav Celebration, NSS Day Celebration, District Day Celebration, Rally for National Integration, Campus Cleaning Programme, Constitution Day Observation, International Day of Yoga, World Bicycle Day, Plantation Drive in the College Campus, etc.

Scouts and Guides:

The college also has a unit of the Bharat Scouts and Guides functioning since 2004, which aims at developing a spirit of service, good character and good health among the members.

Jagiroad College Students' Union:

The union body of the students is constituted by holding a democratic election annually among the students. It plays an active and collaborative role in fulfilling the aims and objectives of the Institution.

Grievance Redressal Cell

The college authority is quite conscious about the grievances of stakeholders and hence set up an effective Grievance Redressal Cell to professionally manage grievances and undertake ameliorative steps. Regarding the grievances of students and guardians, the Grievance Redressal Cell members have been effectively guided by the principal of the college. The Grievance Redressal Cell aims to undertake effective and professional management of grievances of all stake holders.

Other Societies and Cells

- Indian Youth Red Cross Society, Jagiroad College Unit
- Assam Science Society, Jagiroad Branch
- Students Science Forum
- Society for Chemical Education
- College Mathematics Forum
- Cultural Society
- Literary and Debating Society
- Game and Sports Society
- Unit of North East India Geographical Society
- Society of History
- Assamese Department Literary Society
- Red Ribbon Club
- Environment Club
- Expressions, Department of English.

JAGIROAD COLLEGE

JAGIROAD COLLEGE

No. F. 1-15/2009 (ARC) pt-III

April, 2014

To,
The All Members of Regulatory Authorities/
The Vice-Chancellors of all Indian Universities/
The Regional Officers of UGC
(As per list attached)

Subject: Menace of ragging in higher educational institutions.

Sir/Madam,

This is in continuation to this office letter No. 1-15/2009 (Anti Ragging) dated 28.06.2013 & 2.08.2013 on the above subject. It is once again brought to your kind notice that ragging is a criminal offence and UGC has framed Regulations on curbing the menace of ragging in higher educational institutions in order to prohibit, prevent and eliminate the scourge of ragging. These Regulations are mandatory and all institutions are required to take necessary steps for its implementation in toto including the monitoring mechanisms as per provisions in the above Regulations and ensure its strict compliance.

Any violation of UGC regulations as cited above or if any institution fails to take adequate steps to prevent ragging or does not act in accordance with these Regulations, if fails to punish perpetrators of incidents of ragging suitably, UGC shall call for punitive action against institutions.

All institutions are requested to step up anti-ragging mechanism by way of adequate publicity through various mediums, action-packed anti-ragging committee and anti ragging squad, quick-response system, CCTV cameras at vital points, alarm bells, regular interaction and counseling, identification of trouble-triggers, prominence to anti-ragging in the institution's prospectus and information booklets/brochures surprise inspection of hostels, students accommodation. Canteens, rest cum recreational rooms, toilets, bus-stands and any other measure which would augur well in preventing/quelling ragging and any uncalled for behavior/incident. The students and the parent/guardian community may also be made aware of the anti-ragging helpline, anti-ragging website, anti-ragging monitoring agency and all Universities/Colleges/Institutions should take necessary steps for its implementation under intimation to the UGC.

The student/parent ought to know whom to call and approach with alternative contact nos. when in difficulty. All the regulatory bodies and the educational institutions, including the universities funded by the UGC and the private universities, must ensure to UGC that they have a tight anti-ragging system. Students in distress owing to ragging related incidents can access the National Anti-Ragging Helpline 1800-180-5522 (Toll Free) for contact M/s Syrex Infoservices India Pvt. Ltd., J-1, Udyog Nagar, Near DD Motors, Rohtak Road, Peera Garhi, New Delhi-110041. Website: www.anti-ragging.in and also contact to the Monitoring Agency for the Anti Ragging Helpline Aman Satya Kachroo Trust, 689, Sector-23, Gurgaon, Haryana-122017, Email: infor@amanmovement.org and Mobile No. 09871170303, 09818400116 (only in case of emergency).

All Institutions are requested to ensure strict compliance of anti-ragging measures and intimate the same to Monitoring Agency under intimation to UGC.

Yours faithfully,

(Archana Thakur)
Deputy Secretary

University Grants Commission

No. F. 15-3/2012 (ARC)

8 October, 2012

In exercise of powers conferred under clause (g) of sub-section (1) of section 26 of the University Grants Commission Act 1956 (3 of 1956) the University Grants Commission here by makes the following regulations, namely:-

- (1) These regulations may be called the "curbing the Menace of Ragging in Higher Educational Institutions (Amendment) Regulations, 2012."
- (2) They shall come into force on the date of their publication in the Official Gazette.

2. In UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (hereinafter referred to as the Principal regulations), in regulation 1, in sub-regulation 1.1, for the letters and words "UGC Regulations on curbing the Menace of Ragging in Higher Educational Institutions", the words "Curbing the Menace of Ragging in Higher Educational Institutions Regulations" shall be substituted.

3. In the principal regulations, in regulation 8,

- (a) In sub-regulation 8.1, in clause (f), for the words "Central Government", the words "University Grants Commission" shall be substituted;
- (b) In sub-regulation 8.2, in clause (f), for the words, brackets, letter and figures "clause (g) of regulation 8.1", the words, brackets, letter and figures "clause (f) of Regulation 8.1" shall be substituted.

Foot Note: The principal Regulations were published in the Gazette of India, vide notification number 27 dated 04.07.2009.

(N. Adil Kazmi)
Secretary

Pledge for Every Student

1. This is my college. I love my college and my college family.
2. I will abide by the rules and regulation of this college.
3. I will always try my best to uphold the dignity of this college.
4. I shall sincerely pursue my education with utmost sincerity and dedication.
5. I will not support discrimination towards any religion, caste or language.
6. I will maintain fellow feelings towards the mentally and physically challenged people and will always be ready to help them whenever necessary.
7. I shall give respect to my teachers, non-teaching staff and students of this college.
8. I will try my best to become a good citizen of my country.

Codes of Conducts for Students

1. Maintain healthy and ethical relationship with all students/teachers/non-teaching staff of the college.
2. Try to maintain a healthy un-disturbing environment for the convenience of all the stake holders of this college.
3. Preserve the college property without any damage.
4. Respect every fellow irrespective of caste or community.
